MEMORANDUM

To: PAC Families and Employees
From: Dympna M. Thomas Ph.D., Executive Director
Date: March 13, 2020
Re: School Closures: Coronavirus (COVID-19)

As you are aware, the Coronavirus (COVID-19) outbreak in Massachusetts has impacted our communities. The Pilgrim Area Collaborative, in conjunction with surrounding districts, will be closed for two weeks beginning on March 16, 2020 and reopening on March 30, 2020. In addition to no school, there will be no home services delivered to students during this time. Over the next two weeks, we will reassess to determine if a longer closure is warranted.

Understandably, the COVID-19 outbreak has caused anxiety for families and employees. Please be advised that there are no known cases of COVID-19 among our students, faculty, staff and families.

Thank you for your understanding of this situation. These are incredibly trying circumstances where things are rapidly changing given specific situations. I will continue to keep you informed throughout the coming weeks. Please visit our website, www.pilgrimac.org for related information, DPH website at www.mass.gov/covid19 and the Department of Elementary and Secondary Education website at <http://www.doe.mass.edu/sfs/emergencyplan/covid19.html> for updates.
