

## BCBA JOB-ALIKE

This professional learning community will provide an opportunity for peers from different collaboratives and/or member school districts to meet regularly in order to network, learn from one another, discuss common challenges, share resources, and support each other. Through active participation, members of this group will build and tap into a trusted, network of peers to advise, share and support each other's efforts in order to improve professional practice and become more effective and successful in their current roles. The facilitator/s will provide structures and approaches to problem solving that will result in a safe learning community for all involved.

### Who are we?

This is a group of professional BCBA's consulting to collaboratives, school districts and/or families whose responsibilities include:

- Staff training/professional development
- Classroom consultation
- Student specific consultation
- Conducting Assessments
- Supervising home-based programming
- Parent training
- Writing Behavior Support Plans
- Collecting, graphing and analyzing data
- Program development
- Supervision of RBTs

### 2021-2022 Goals

- To continue to have multiple (at least 10) collaborative and/or school districts represented (south shore and surrounding areas)
- To develop an online behavioral support "tool kit" to share with classroom teachers/support staff
- To provide CEU training opportunities for other professionals in the area
- To remain current and up to date in research and literature
